## FAQ

### How do I choose a contractor?

It's kind of like choosing a roofer or plumber – who do you want to work with? Check their websites and references, get suggestions from neighbors, have a consultation with more than one and see whose ideas and pricing fit best for you. These contractors went through our RainWise Orientation, and are licensed, bonded and insured. Please evaluate them on their experience.

Having trouble connecting with a contractor? Email [rainwise@seattle.gov](mailto:rainwise@seattle.gov), we can help!
