

# West Seattle Ecology Fair

**PEACE  
WITH CREATION**  
SEASON OF CREATION 2025

Organizations throughout the Puget Sound will be at this fair to answer your questions on what we can do to stabilize our rapidly changing natural world. Our keynote speaker is Nicholas Bond, Emeritus Washington State Climatologist. He will discuss implications of climate change on human health, as well as broader impacts on wildlife in our region, and he will offer ideas of actions we can take.

**Saturday, Sept. 27, 10 a.m. to 2 p.m.**  
**Walmesley Center**  
**Our Lady of Guadalupe Catholic Church**  
**7000 35th Ave SW.**  
**Seattle, WA 98126**
